

LBD Project Review

1. Please describe/tell us about your project.

2. What prompted you to undertake this project? (ie was there a particular issue you were trying to overcome or something else?)

3. What effect was this having on you/your family?

4. What were you hoping to achieve?

5. How did you feel before and/or during the process?

6. What concerns did you have about the process/along the way that we helped you alleviate? What did you learn during the process?

7. How has the outcome met or exceeded your expectations? How has it changed your life/lifestyle?

Please send your completed form to info@lateralbuildingdesign.com.au
